Hi Brian and Keith,

I hope this message finds you well. Our group is interested in posting some information about our recent field deployments in McAlester and Radford on our lab webpage ([www.nasa.gov/ames/las](http://www.nasa.gov/ames/las)), and are curious as to whether there are any caveats or restrictions on information or photos that we submit online. Let us know if you have any thoughts, and we'll be sure to respect your preferences on released information as well. Thanks!

Cheers,  
Ron
